TO WHOM IT MAY CONCERN

This letter confirms that Gani is the authorised Distributor of AMOT Products, in the country of Greece.

As an authorised distributor and channel partner, they have the full support of manufacturing, engineering and aftersales service from the Amot UK facility.

Thermostatic valves, switches, and control products, as well as engine safety the latest XTS-W Bearing wear Monitor, are just some of the products and solutions from Amot's extensive range that they are authorised to sell.

Yours sincerely

For and on behalf of Amot

John Francis
Vice President – Global Sales
