TO WHOM IT MAY CONCERN

This letter confirms that Gani Ship Spares Ltd. Co is the sole authorised distributor and channel partner of Amot Products, Control and Bearing Wear Monitoring Systems in the country of Turkey.

As an authorised distributor and channel partner, they have the full support of manufacturing, engineering and aftersales service from the Amot UK facility.

Thermostatic valves, switches and control products as well as engine safety the latest XTS-W Bearing Wear Monitor, are just some of the products and solutions from Amot's extensive range that they are authorised to sell.

Yours Sincerely

For and on behalf of Amot

A handwritten signature in black ink, appearing to read "D Hurcomb". The signature is written over a faint, circular watermark that contains the text "AMOT" and "SUFFOLK".

David Hurcomb
